

LEADERSHIP AWARD

The Leadership Award acknowledges outstanding contribution to gifted education. Individuals at all levels (student, parent, teacher, administrator, legislator, or community member) who have made a significant difference to gifted education in their school, district, or region may be nominated.

Criteria:

1. Impact

The significant difference made by an individual is one that has brought about change which resulted in improvement in gifted services in one area of a program or in a total program. Bringing about policy change, effecting significant changes in curriculum within a system, or creating a support organization are examples of initiatives that may be considered as constituting a significant change.

2. Outstanding Contributions

The outstanding contributions of this individual are ones that far exceed the regular expectations of a position, duty, or office. Financial assistance does not necessarily constitute outstanding contribution, nor does service over a number of years.

Procedure:

The nomination packet must include:

- 1) Completed nomination form (next page)
- 2) Brief listing of service to gifted education, including positions and accomplishments
- 3) Narrative summary, not to exceed one typed page, of specific contributions that mark this individual as outstanding and as making a significant difference to gifted education
- 4) An additional letter of support for the nomination

Recognition:

The award recipient will be recognized at the annual GAGC convention. He or she will receive a complimentary registration to this year's convention, a plaque presented at the convention, and a letter of recognition from the GAGC President.

Nominations shall be submitted by November 30.
